### Chairman's Speech/ ಅಧ್ಯಕ್ಷರ ಭಾಷಣ

After the slump in activities due to pandemic induced years of 2020 and 2021, the year 2022 started on positive note for KSPH&IDCL with the advent of new projects and commencement of prestigious assignments.

We commenced the construction of 100 Police Stations at places where own buildings were not existing. We also commenced the prestigious project of construction of quarters under Police Gruha 2025, which will ensure decent living for another 10,000 families of the staff of the Police Department. Further we also commenced construction of DAR/CAR, Armories, Dog kennels, high security prisons etc.

Besides, we have taken up new projects like construction of New Command Centre (Nirbhaya Scheme), eight fire stations, additional barracks, new constructions in KPA and PTS etc. I believe we will be able to ensure best of quality, budget friendly and timely delivery of all the projects to the user departments. We promise to set high standards for ourselves and strive to achieve greater heights in the ensuing year.

As a mark of our resilience even during the pandemic year of 2021-22, the Corporation has achieved a turnover of Rs. 544.73 Crores with a profit after tax is Rs. 9.80 Crores, the second best year in the history of the Corporation in terms of turnover. On a reasonable estimation on the works taken up, the Corporation is expected to achieve a turnover of Rs. 600 Crore during the ongoing financial year of 2022-23.

All this is possible due to excellent leadership and dedicated efforts of the managements and best work ethic and teamwork of all the employees on whom I have complete trust and confidence which has led to the success till date. I wish the very BEST to all who have contributed to the growth of KSPH&IDCL.

## Former Managing Director's Speech/ಮಾಜಿ ವ್ಯವಸ್ಥಾಪಕ ನಿರ್ದೇಶಕರ ಭಾಷಣ

Welcome to June 2022 issue of newsletter. As the Managing Director of KSPH&IDCL for the past 16 months, I take great pleasure and pride to share my experience here, in short I would describe my relationship with the Corporation in quoting the famous lines of Robert Southey "No distance of place or lapse of time can lessen the friendship of those who are thoroughly persuaded of **each other's worth.**"

I have had a great time coordinating with everyone in the office and have moved forward with the satisfaction of facing many great challenges which had posed a great threat in reaching our targets and ultimately our achievements, especially during the Covid-19 pandemic. We managed to meet many milestones in spite of the numerous obstacles and challenges thrown before us.

I am proud to be part of the growth of the Corporation in the past year which has received some interesting ongoing projects such as 100 Police Stations, 10,000 quarters from Police Gruha 2025, DAR/CAR, armories, Dog kennels, High Security prisons to name a few and many more infrastructure projects are in the offing. I hope the success of the Corporation continues to greater heights in the coming years.

It has been an honor to work alongside the talented and enthusiastic staff during my tenure as the Managing Director. I wish for everyone the unending success, prosperity and wealth. I wish the Corporation gets the BEST what it deserves.

## Tournament

At KSPH&IDCL the Male staff, had their share of enjoyment by the conduct of a two day Cricket tournament. The tournament not only enthused the participants but also the Corporation as a whole, who assembled at the ground, cheering and enjoying every moment of the games. The whole staff was united in a festive mood which made the tournament a grand success. A few unforgettable moments captured are as shown.

### Corporate Social Responsibility

Training has been imparted since 2004 in Construction skills such as Plumbing, Bar-bending, electrical, computers etc. to the under privileged youths of Police personnel. Residential training of 40 batches has been completed till date; duration of each batch is 3 months. Food and accommodation are provided for the trainees and a stipend of Rs. 5000/- is awarded for each student. Currently the 41<sup>st</sup> batch with 17 trainees learning skills in electrical, plumbing and car driving is under progress. Certificates are awarded on successful completion of training. The training is housed in the skill training center at KSPH&IDCL campus.
